

Many of our Outlook Academy families have home businesses. In an effort to promote their businesses and give us all a chance to patronize fellow homeschoolers, we have compiled a home business list. If you would like to include your business, please email *admin(at)outlookacademy(dot)com* with the name of the business, contact person, phone, email, and description.

Businesses are grouped by type.

BAKED GOODS

Lori Herring, 334-358-5430 (home), 334-301-4253 (cell)
herringlori@hotmail.com

My specialty is cream cheese pound cake (vanilla or chocolate) and gourmet cheesecakes (vanilla, chocolate, Turtle, mint chocolate, pumpkin praline and red velvet cheesecakes). They are made from scratch with real butter and cream cheese. I can also do a variety of specialty cakes including (but not limited to) red velvet, carrot cake, coconut, pumpkin pie and pecan pie. If you have a favorite cake or dessert that I didn't list, ask me. My prices are somewhat higher than the grocery store bakery, but the dessert is WAY better and you will support a local family. Make your next church potluck, family gathering or party extra special with a gourmet dessert made with love!
